A chairde,

Fuaireamar scéal inné i dtaobh dhá cás dearfach COVID-19 a bheith i bpod amháin sa scoil. Is cásanna difriúla iad seo ón gcás a bhí againn an tseachtain seo caite. Tá na múinteoirí agus na tuismitheoirí cuí ar an eolas faoin scéal agus tá dhá pod ón rang céanna sa bhaile anois. Táimid ag coimeád súil ghéar ar an scéal faoi láthair agus beidh scéal chun dáta againn do phobal na scoile nuair is gá.

We have recently been informed of two further cases of Covid 19 from one pod within our school community. This is a completely separate case to the one that we had last week.

Having assessed the situation, the HSE has determined that two pods are to access the curriculum remotely for the next while and we will continue to monitor the situation very closely here at school. All affected teaching staff and families have already been informed.

Please remain **EXTREMELY** vigilant for symptoms of COVID - 19 at all times and to keep your child at home if they feel unwell or are showing ANY signs of Covid.

The HSE last night asked us to advise all parents that if a child is symptomatic and is awaiting advice from a GP or waiting on test results, all unvaccinated siblings must also remain at home until test results come back negative.

Le buíochas,

Deaglán
